www.pipingmaterial.ae

Refer monthly updated price list of seamless stainless steel pipes in India and China of ASTM A312 grade TP304 and type 316

These prices of seamless stainless pipes are gathered from leading manufacturers of 304 stainless steel seamless pipes in India and China. We at pipingmaterial.ae also take the price list of the renowned stockists and suppliers based in Dubai, Abu Dhabi, Sharjah, and Ras Al Khaimah every month.

We keep track of the up & down of steel prices in Asian countries like China, Taiwan, South Korea as well as Japan. To keep updated all our users we update price time to time whenever it fluctuates so the buyers from all over Asian and gulf countries can refer to the price comparison to save their cost. Low labour countries like India have many renowned manufacturers of stainless steel seamless pipes and offer different price ranges based on the quality, origin of raw material and tests reports they provide along with material.

We have included tests and inspection reports offered by Chinese and Indian manufacturers. The objective to provide actual price of 304 stainless steel per kg in largest steel producing countries like India, China and South Korea is not just providing the cost, but to provide the quality comparison to buyers in the middle east. We have viewers from all over the Arabian countries like Saudi Arabia, Qatar, Oman, and Kuwait.

We want them to provide actual information including price difference in different countries as well as the required inspection before buying the material so they can understand the cost difference in ss seamless tubes and pipes in grades 304, 316 and 316L. All below prices are gathered from dealers, distributors of renowned manufacturers in China and India as well as from stockists and traders in Dubai.

Below price comparison chart will help to steel trading companies in UAE, KSA, Egypt, Turkey, Nigeria, Azerbaijan and all over the Southwest Asia countries. Many importers in Dubai and Abu Dhabi find the price and quality comparison of 304 stainless steel seamless pipes before buying from manufacturers, suppliers or genuine stockists in China, South Korea and India. Below price list and comparison table is based on the data provided by exporters in Guangdong province, Handan, Tangshan, Mumbai and Gujarat.

Compare 304 Stainless Steel Seamless Pipe price per KG in India, Malaysia and China along with Non Destructive Testing, Moly Drop Test and Manganese Test
